Ilver Vista 58 *Refit 2023*

EUR 295,000 incl. VAT / EU VAT paid

Width: 4.95 m
Height above waterline: 2.56 m
Draught: 1.40 m
Construction material: GRP
Persons: 10
Sleeping places: 6
Cabins: 3
Marinero cabin
Toilets: 4 (3 x electric, 1 x mechanical)

This yacht was refitted in 2023 with a modern on-board computer system including various touchscreens as well as a high-quality Bas electronics system and the associated wiring harnesses worth approx. 80,000 euros. In the last three years, more than 200,000 euros have been invested in upgrades and modernisations. All invoices for this are available.

The hydraulic bathing platform and hydraulic gangway, both fitted with new grating teak, provide easy access to the water. At the rear of this yacht is a garage that houses an AVON jet boat with a length of 3.2 metres, which can be easily launched with the hydraulic Besenzoni crane.

The electric sunroof can be opened or closed as required. A full tarpaulin, a separate cockpit tarpaulin and a winter tarpaulin are included.

The ILVER Vista 58 has a spacious deck with two seating areas. The saloon area and the cockpit deck are fitted with newly laid teak. The lighting, which has been completely converted to LED, and the retractable flat-screen TV invite you to enjoy cosy evenings.

The dining area with the large round bench seat offers space for several people. Opposite the seating area is an open-plan kitchenette, equipped with a modern counter, ceramic hob, fridge with ice compartment and a separate bottle fridge. An integrated plancha grill plate is ideal for preparing fresh seafood and other grilled dishes. Drawers provide storage space for crockery, cutlery and kitchen utensils.

The master cabin with queen-size bed has a marvellous bathroom with shower, real glass door, grating teak floor, bidet and large mirror wall.

The two guest cabins are tastefully decorated. The cabins have comfortable single beds, a flat-screen TV and spacious wardrobes. Each guest cabin has a private shower room with WC, washbasin and a large mirror.

The berth in ACI Marina Vodice, a popular coastal resort in Croatia, is paid until 2025 and can be taken over. The harbour has electricity and water connections, sanitary facilities, restaurants, bars and cafés.

Navigation and safety:
- On-board computer
