Description

The Cranchi 50 Mediterranee perfectly combines Italian elegance, exhilarating performance and exceptional onboard comfort. With her sleek profile, timeless styling and premium craftsmanship, she remains one of the most desirable luxury sports cruisers in her class.

Built using Cranchi's renowned full solid fiberglass monocoque construction with Kevlar reinforcement in critical areas, she delivers impressive structural strength, outstanding seaworthiness and remarkably quiet cruising characteristics.

This well-equipped example offers generous outdoor living areas, including a spacious cockpit with a comfortable C-shaped seating area, wet bar, electric grill, refrigerator, ice maker and large sunbathing areas. The hydraulic passerelle, tender garage and wide teak side decks further enhance comfort and practicality while cruising or mooring.

Below deck, the beautifully finished interior features high-quality cherry wood cabinetry, Alcantara upholstery and Corian worktops. Three comfortable cabins and two bathrooms provide excellent accommodation for family and guests, while the fully equipped galley makes extended cruising a pleasure.
