---

The NC 11 is one of the most popular models from Jeanneau and combines a generous range of space with excellent driving characteristics and high comfort. Thanks to the two economical Volvo Penta D3 diesel engines with 200 hp each, Z-drive and Volvo joystick control, the yacht can also be maneuvered very comfortably in the harbor.

Particularly noteworthy are the exceptionally low approx. 184 operating hours, the complete history as well as the very well maintained technical condition. There is no maintenance backlog.

## ## TECHNICAL DATA

Manufacturer: Jeanneau

Model: NC 11

Year of construction: 2017

Condition: very good condition

CE Category: B - Outside Coastal Waters

Length: 11,15 m

Width: 3.74 m

Draft: 1,07 m

The Jeanneau NC 11 is an extremely versatile motor yacht. The bright salon with large window surfaces, the comfortable space and the protected construction make it interesting for longer trips as well as for weekend and family trips.

Thanks to the extensive equipment and the very low engine hours, it is a particularly interesting example.

Visits are possible at any time by prior appointment.

Further information, photos and details of the history are available on request.

Errors, changes and prior sale excepted. All information is based on information from the owner and is provided to the best of our knowledge, but without guarantee.
